*Schools serving grades 9–12 as well as grades below grade 9 use the state-designated metrics and weights for high schools. A school must have at least grade 11 to use the high school metrics and weights.

**If a school did not have at least grade 11 in 2016–17, it scored on state-designated elementary-middle school metrics.

***The vendor that calculated accountability scores credited Charter School of Wilmington with growth that exceeded the maximum anticipated in its metrics.

****The School Success total score is based on a 500-point scale: up to 125 points awarded for academic achievement, up to 225 points for growth, up to 100 points for on track to graduation and up to 50 points for college and career readiness.
